

Keeping Savannah: an eXclave erotic romance

One blissful weekend in Las Vegas wasn't enough. All twenty-three-year-old Savannah Perry wants is a fresh start, one permanent and final break from her first love, sullen bad boy turned CEO Nathan Drake. When circumstances bring Savannah and Nathan together after a three-year separation, she's armed with the D-word and ready to fire—but his kiss is bullet proof and her heart has always been a foolish thing. Three years ago, Nathan lured Savannah to a Las Vegas chapel for all the wrong reasons, including a selfish desire to bind her to him until he was man enough to keep her. Now he's that man—but he's a man with a complicated past, tastes that might shock his innocent bride, and a driving determination to show Savannah her desire for him still burns bright.
