

Betting On You: A Sweet and Sexy Small Town Romance (Always a Bridesmaid Book 1)

Do you believe in second chances? Four years ago, Mason Stewart ripped out Lark's heart. Ripped it out, threw it on the ground, and stomped on it as he ran away from their one-day-old engagement. Now he wants her back. Lark needs you back in her life like an octopus needs a hang glider.

All he's asking for is one week. Seven dates to prove to Lark that he'll never break her heart again. But between small town gossip and her sisters' persistent meddling, Lark and Mason might need a downright miracle to make things work. Mason was always The One for her, the only man who made her heart pulse with a pure mix of love and desire. But can Lark possibly trust him again? Will things really be different this time around?
