

Kevin's Story: A Loveswept Classic Romance

In this tender romance from authors Adrienne Staff and Sally Goldenbaum, two people must overcome the sea of silence that separates them. Suzy Keller is determined to land this coveted modeling job. As the face of a local cookie company launching into the national market, her image would adorn everything from the packaging to the television commercials. But when Suzy meets the man behind the burgeoning business, she can't believe her eyes or the pace of her pulse in response. Convincing handsome Kevin Ross to give her the job will not be the hard part. Getting him to let her into his heart will be the ultimate challenge. Kevin Ross is a true American success story. He has risen from a difficult childhood on the street to become the head of a lucrative food company. Now he has money, friends, and respect. But he always feels slightly separate from the rest of the world, because the one thing Kevin will never have is the gift of sound. So when Suzy Keller bursts into his life, he forces himself to keep his distance from her. How can a deaf man ever give a woman as beguiling as Suzy all that she wants and needs? Kevin is about to find out. Includes a special message from the editor, as well as excerpts from these Loveswept titles: Here Comes the Bride, The Wedding Chase, and About Last Night.
