

Dare to Take (Dare to Love) (Volume 6)

She was off limits, But he couldnt resist. There are just some guys you dont touch--even someone as innocent and inexperienced as Ella Shaw knows that. But when her brothers best friend is up for grabs and willing, she cant resist. After all, shes wanted him for years... On leave from the army, Tyler Dare is just looking for a little fun, but his best friends sister is off limits. Yet unable to deny how sexy and alluring she is, he finds it all too easy to succumb to a night of passion and heat that ends the next morning in the worst way possible. Now, Ella is stranded on a tropical island with a hurricane bearing down, and only Tyler can save her. Its his chance to make amends for the past and show the woman hes never forgotten that hes coming after her ... in more ways than one. *Same book - new cover!
