

Killing Time (One-Eyed Jacks)

From New York Times bestseller Cindy Gerard, an exciting new series featuring Mike Primetown Brown, a character from her popular Black Ops, Inc. series. We can do this easy, she whispered close to his ear as he groaned in agony, or it can go real hard on you. Well, of course he wasn't going to go easy. New York Times and USA Today bestselling author Cindy Gerard plunges readers into the heart of a seductive contest of wills between a hard-living hero and a beautiful rogue operative who is on a mission to dig up the secrets of his past. Tension sizzles in this pulse-pounding first adventure in Gerard's action-packed new series as Eva Salinas lures Mike Brown from the sultry streets of Lima, Peru, to the desolate Idaho wilderness on the hunt for the cold-blooded traitor behind a fatal military operation that haunts them both.
