

At Fault - Classic Illustrated Edition

* Beautifully illustrated with atmospheric paintings by renowned artists, *At Fault* masterfully portrays a complex love triangle amid the tensions of the rural post-Reconstruction South. Therese Lafirme is a young Creole widow in love with a divorced St. Louis businessman, David Hosmer. The moral and religious constraints thrust upon Therese prevent her acceptance of Hosmer's wedding proposal, setting the two on a treacherous path that involves Hosmer's former wife, Fanny. Originally published in 1890, the novel is marked by the same fearless examination of society and sexuality that distinguish Chopin's later works. * Just as accessible and enjoyable for today's readers as it would have been when first published, the novel is one of the great works of American literature and continues to be widely read throughout the world. * This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images of classic works of art carefully selected by our team of professional editors.

Three Men in a Boat (Classic Illustrated Edition) - Kindle edition by Editorial Reviews. About the Author.
