

Warriors of Ra (Paranormal Romance)

Christian Lefevre broke Trishas teenage heart, but twenty years later she must seek him out to identify a rare Egyptian artifact. The fire-filled pyramid holds the secret to the danger that caused Christian to send her away, the secret to his roots buried deep in the mythology of ancient Egypt. Where warriors gifted with power from the ancient gods battled to protect the innocent and claim their special women. Trisha might be one of those women, but she has no intention of becoming the property of any man, even a wealthy titled man. She wants love on her own terms. And when help comes from a surprising source, she might just get love and a power that she had never dreamed of.
