Feb. 2015: the Wonderland series is back, better than ever. The award winning Taken by Passion: King of Hearts includes sixty pages of new and expanded, never before published scenes. After being cheated on yet again, full-figured Alice OBrien no longer believes she'll find her Prince Charming. She resolves to enjoy men, but refuses to involve her heart. When she literally tumbles down a rabbit hole, she finds she has left her familiar home city of San Francisco. She has landed in a strange and beautiful world, where she meets a powerful and dominant shapeshifter, Jarronn, and his equally fierce and irresistible brothers. By the draw of a card foretelling his kingdom's future, Jarronn has deliberately lured Alice to his realm in hopes of averting a terrible danger threatening his people. He has every intention of saving his kingdom with his and Alice's bond of passion, and nothing will stop him from making her his Queen of Hearts. St. Martins Press published the Wonderland series in trade paperback only, with the pseudonym Jaymie Holland. Elloras Cave published the series primarily in e-book, under the name Cheyenne McCray. Neither version had the new and expanded scenes. Taken by Passion/King of Hearts has won numerous awards and accolades, including the RT Book Reviews Magazine Reviewers Choice Award!
