

Kiss Me, Stupid (Notting Hill Diaries 2.5)

After hitting the big 4-oh, Deb hits an all-time low. Her job sucks, her love life is non-existent, and she's tired of living in a small market town. So, she does what any woman of sense would do: quits her job, sells her house, and gets a life. What she doesn't expect is the attention of a very hot younger man. And the only chance she has for happiness is to get over herself and take a chance, even if it does seem stupid.
