

Knowing Vera

Excellent and exciting read! - Cate Beauman, Romantic Suspense Bestselling Author
The tension just ups and ups! - H. Elliston, Romantic Suspense Bestselling Author
Vera's dating Zach, casually, not committed, when she discovers her long-departed father is the killer of Zach's mother many years ago. Meanwhile, Zach reevaluates his life after losing his leg in a tragic accident and realizes he's falling in love with Vera. Can their timing be so wrong? Vera knows the relationship is doomed, but she cannot resist the tugging of her heart and Zach's panty-melting grin. Caught in a web of family secrets and hidden agendas, Vera and Zach must depend on each other for survival. A dangerous killer is on the loose, and Vera must find the truth, wherever it leads, even if it destroys her chance for love forever. *Knowing Vera* is a suspenseful, cross-cultural romance mixing an unsolved murder, adventure, and hot, steamy love scenes.

KNOWING VERA is part of the *Chance for Love Romantic Suspense* series. While *KNOWING VERA* is a standalone novel with a complete beginning and ending, the character of Vera Custodio appears first in *Broken Build* and also in *Hidden Under Her Heart*. It might be more enjoyable to read the series in order.
