

## The ABCs of Dee: A Snarky Romance Novel

It always starts out so innocent. A drink, a laugh, a bet. For 40-year-old Dee Harper, her hum-drum life is about to become...educated. When Dees wealthy friend, Gail, makes her a ridiculous bet, she never dreams shell actually go through with it. After all, dating 26 men in one year, from A-Z, is ludicrous. Right? Then Gail offers her fifty thousand dollars if she succeeds. Now that, is an offer she cant refuse. From Adam the cocky limo driver to Kevin the klepto Dee learns the hard way what sort of guy she doesnt want. Filled to the brim with snark and sarcasm about the joys of dating later in life, The ABCs of Dee reminds us that even though life sometimes sucks, there is always someone there to laugh with.
