After years of reality television stardom beginning in high school on Laguna Nights, her career and relationship with her long-term boyfriend Scott are fizzling out. Laura decides to go home to Laguna Beach for the weekend to attend a baby shower for her high school friend. That decision and a car accident will lead her to a new future, if she's ready to take a chance at love. Paul Dorn's former life in New York City is far behind him and he's working in a popular Laguna Beach surf shop when fate brings the most beautiful woman he's ever met into his life. The attraction is instant and he has an overwhelming desire to protect her. While Paul's retail sales career is a short-term job for market research purposes, his focus on Laura is long-term. Will Laura allow a handsome stranger to help her create a future unlike her past, or will the bright lights of Hollywood pull her back to LA?
