

## Desperately Seeking Santa

Dreams and fantasies are just that for Mandy Brooks, assistant manager of Wentworths, an upmarket department store. Work always gets in the way. But then that is exactly how Mandy likes it. Until Christmas comes round again and shes forced to play the part of Mrs Santa. Christmas day five years ago, Tate Sullivan left town. It was also the day Mandy ditched him at the altar. Forced back because of his fathers death, he knows hes got unfinished business with Mandy Brooks. He wants her back in his bed on his terms, his way. Hes out for revenge. Its meant to be sweet, isnt it?
