

## Lawman Lover

IT WAS A NIGHT OF PASSION NEITHER OF THEM COULD FORGET. Michael Quinns tenacity made him an extraordinary cop. It also made him an exceptional lover. And Amanda Sturdevant remembered everything, every caress and kiss, of her one night with him, but nothing of a long-ago night of terror that had left a woman dead and Amanda barely with her life and amnesia. Now these missing memories might hold the key to an unsolved murder assigned to Michael. Reunited again, they cant deny their still-smoldering past or the fact that someone close to Amanda was a killer. Michael would leave no stone unturned, but would his pursuit put the woman he loved in danger?
