

L.A.P.D. Special Investigations Series, Boxed Set: The Deceived, The Taken & The Silent

From award-winning, national bestselling author LINDA STYLE comes the thrilling and sensual L.A.P.D. Special Investigations series. Romance, Suspense and Intrigue...and secrets that can kill.

THE DECEIVED: When L.A.P.D. Detective Adam Ramsey receives a new lead he's certain the man behind his partner's murder is widow Jillian Sullivan's maybe-not-so-dead husband. But Jillian refuses to believe the only man who ever earned her trust could have deceived her and their daughter so thoroughly. She wants answers even if she has to track down the imposter to get them. When Adam meets Jillian on a plane bound for Mirador, a tiny village in the Costa Rican outback, they form an uneasy alliance to find the truth. When passion ignites in the steamy jungle, facing down wild animals, kidnappers, and drug lords gets even more dangerous.

THE TAKEN: Detective Rico Santini will do anything to find his niece's kidnapped child. Anything but break the rules...not even when forced to work with a sexy Beverly Hills attorney who challenges his every move. Once all Macy Capshaw wanted was to have a family. It wasn't meant to be and now all she wants is to protect children, especially the sad little boy in her charge. That means keeping away media types and insistent detectives. But one detective is stirring up questions about Havens Gate where his niece's baby was born--and where Macy gave birth to a stillborn child. Now she has questions. And the answers will put all their lives in danger.

THE SILENT: Seven-year-old Caitlin is the sole witness to a murder that could take down a notorious crime boss. Detective Jordan St. James has vowed to see Anna Kolnikov's murderer behind bars. But the one woman who can help him refuses to do so...even after he offered to protect her. Now she's on the run with her daughter and he's desperate to find them...before the killer does.
