On the world of Arroway, witches have been persecuted for a thousand years. Now, Tallon, Enforcer for The Order of Warlocks has been sent to hunt and destroy Shayla, a powerful, young witch. But when he sees her, she awakens something inside him some connection forgotten in the years of persecution. And when he starts his spell, she counters with magic so strong it rips them from their own world and into a new one Earth. Drawn together as unlikely allies in this strange new world, Tallon and Shayla must work as partners to find a way home. They relearn the bond that long ago tied witches and warlocks as one, and in doing so discover that not only is their future at stake, but the future of their whole world.
THE CALLING
On the world of Arroway, witches have been persecuted for a thousand years, stripped of their magic at birth, and kept as slaves by the Order of Warlocks. Freya, a pleasure slave, fled from the Order while pregnant. Now she's been recaptured, and to save her daughter and the world of Arroway, she must work with one of the hated warlocks while fighting her growing attraction for him. From the first time she knelt before him, Jarrod was drawn to Freya. Twenty-two years ago, he would have given up everything to be with her, but she ran from him. Now, he has a second chance. But can he risk destroying their world for a forbidden love that might never be returned?
ENCHANTMENT
In defiance of the Laws of Segregation, Tallon, Enforcer for the Order of Warlocks and Shayla, a young and powerful witch fall in love, and devise a plan to overthrow the Order and save their world. Unfortunately, their trip back to Arroway is thwarted by a powerful warlock, and Shayla finds herself trapped between worlds. Frantic to be reunited with Shayla before the Order

discovers her whereabouts, Tallon must use any means necessary to combat the magic that binds her. **EXILED** Long ago, Cassandra, a powerful witch, nearly destroyed the world of Arroyay in her grief over the murder of her mate, Callum. She has spent the years since exiled on Earth, believing she can never return home. Tied to the world by the strength of his love for Cassandra, Callum has been lost in a land between life and death. Now, after a thousand years, he has found a way back to her. But Arroyay is dying and the witches close to extinction. Only by working together can Cassandra and Callum hope to save their world.
