

## Naughty New York (My Billionaire Boss Book 3)

I remember the first top floor suite I ever saw. It was a penthouse room in the Joule Hotel in Dallas. It was my honeymoon. Percy met a rancher and his wife in the bar who invited us up for a drink to celebrate our new marriage. The couple was staying in the penthouse. I remember my mouth dropping as I walked in the door. Plate glass window overlooking the city, telescope, a jacuzzi, and fully stocked bar. My heart was full of stars. Percy motioned around the room, Someday, baby, we will stay in rooms like this all the time. WARNING Readers must be 18+ due to mature themes and language.
