

Curve City: A BBW BDSM Romance (Infinite Curves Book 6)

The Infinite Curves series comes to a thrilling conclusion as Dylan and Asher take a trip to a BDSM club in New York City. Having slain her dragons at home and settled matters with her sisters, Asher is tantalized by Dylan as he denies her complete fulfillment leading up to her debut in Neverland, a secret club inside a club reserved for the BDSM elite. Of course everyone shed hoped and feared might be there puts in an appearance. All the usual suspects as well as a mysterious Dark Angel, a stunning dominatrix with a bullwhip who may hold the key to Dylans future. Asher, masked and magnificently attired in her Goth-Queen-Slut gown, can only remain anonymous for so long, before she is compelled to put everything on the line, risk life, and limb and self-respect to finally decide the matter once and for all. Will Asher find her happily ever after? Or be publicly punished and mercilessly abused? Or could it be both? BBW BDSM Romance Novelette: 18,000 words.
