

Faces in The Leaves

Never be afraid to speak your thoughts or mind. Life is easier this way..you will surely..find. Never keep inside..that which must come out. Or your words will come out loudly, with a shout! Always tell your friends and loved ones. What you really think..to your daughters and your sons.. How else can we learn to trust each other? If we cant even tell the truth to ..one another? The answer is..we cant ever hold that bond.. The one which we hold tight and we hold fond.. It keeps us spiritually centered..my friend.. Lessons...we will need..in the end! Blessings to you!
