

Restless Waters: A Left Drowning Novel (Left Drowning Series Book 2)

From New York Times bestselling author Jessica Park comes the long-anticipated sequel to *Left Drowning*. ***** A storm is coming, and with storms come restless waters. Pulled from the depths of catastrophe and depression, Blythe McGuire has learned to escape from her past while embracing the future. A future now entwined with the Shepherd siblings. With Chris, she shares a staggering romance that kicks heartbreaks ass. With Sabin, she shares an intense friendship, one that's becoming more complicated than either had expected. A friendship now being put to the test because Sabin's brutal past still haunts him. Because trauma is the gift that keeps on giving without mercy. Now Sabin is the one left drowning and struggling to breathe, and his turmoil threatens to send all three into dark currents they cannot escape. Even after going through her own hell, saving Sabin will take much more than Blythe had anticipated. Their connection and their love could help, but getting him to reach for her hand could be Blythe's biggest challenge ever.
