

Let Us Draw Nigh: The Way to a Life Abiding Continually in the Secret of Gods Presence; Meditations on Hebrews X: 19-25 (Classic Reprint)

Excerpt from Let Us Draw Nigh: The Way to a Life Abiding Continually in the Secret of Gods Presence; Meditations on Hebrews X: 19-25 The twelve chapters that form this little book are part of a larger work that has just been published. They are issued separately in the hope that they may bring the tidings that the Father would indeed have us live our life in His Presence, and that Christ is able to bring and keep us there, to some whom the larger work may not reach. The passage of which these chapters are the exposition (chap. x. 19-25) constitutes the very centre of the Epistle.
