

Leveraging the Universe: 7 Steps to Engaging Lives Magic

With a series of simple steps, this New York Times bestseller teaches us how to harness the power of the Universe to achieve our highest goals. You can't know where or when the Universe will enter your affairs only that it will. So just pitch your pitches, take your baby steps, enjoy the journey, and prepare to be astounded. Building on the principles shared in *Infinite Possibilities* and *Manifesting Change*, New York Times bestselling author Mike Dooley offers his first how-to book, spelling out exactly what can, should, and must be done to harness the Universe and life's magic and what should at all costs never be done. In just seven steps, from understanding the nature of reality to aligning your beliefs with your dreams, Dooley shares exactly what you can immediately do to chart a course for seeing lasting results. Interwoven with the author's inspiring personal history, from fear to fortune, to demonstrate firsthand how you can begin from wherever you are, find traction, and blast forward to success, *Leveraging the Universe* is about using the gifts of thought, word, and deed to harness an infinite grace that tirelessly strives to sweep you off your feet, surround you with friends, and create the life you most want.
