When Adam Hansen discovers his ex-fiancee, along with a son he never knew he had, hiding in an isolated cabin on his ranch, in the middle of winter, and learns shes being hunted down by her former husband, an ex-green beret, Adam vows to protect them, even though he has no intention of getting involved with Emily again. Hes also trying to gain the love and trust of a three-year-old boy who fears and mistrusts men. But while hes safeguarding Emily and Jesse, Adam learns that Emilys wanted in a non-custodial kidnapping to protect Jesse from a dangerous step-father, whos also Jesses legal father, since Emily gave birth to Jesse while married to him. Still, Adam intends to protect them at all cost, even if it means going against his family, and the law, and taking Emily and Jesse into the mountains and beyond, if thats the only way to keep them safe.

AUTHORS NOTE: The books in my Dancing Moon Ranch series are intended to be read in sequence as each book moves forward in time, the series spanning two generations. I invite you to check out my Dancing Moon Ranch Family Album. In it my 13-book Dancing Moon Ranch Series is illustrated with over 600 full-color photographs depicting the ranch and all the characters in the series.
