

Like Father, Like Son

Marriage for the sake of a baby can be a disaster. Joe Fraser knows this firsthand. So how did he land in the same situation? Because Philippa Browne, his daughters teacher--and the woman carrying his baby--is irresistible and it was inevitable he'd give in to his attraction to her. Joe knows he should be offering her a diamond. His family tree is strewn with relatives who didn't do the right thing. But Pip has her own ideas about love and commitment and they don't seem to include hanging around...unless Joe can change her mind.
