

Drawn to Fight: Zac & Evie (Volume 1)

SYNOPSIS New Adult romance, for 18+ only due to sexual content and adult themes Drawn to Fight begins a new series in the world of the Drawn Series, following Redemption and featuring, Damien and Ettas daughter, Evie, in her own coming of age drama filled with angst, love, passion, need, and a healthy dose of obsession. Zac Rivers. A boy no one wanted to know. Always angry. Always fighting his way in and out of trouble. It was no surprise when he was expelled from school and never heard from again. Until now. I found him at the Londonderry Brawl, and I watched him fight like an animal. Strong. Controlled. But desperate. I sensed in him a purpose a need to win and I wanted to know what was so important to him. The way he fought was mesmerising, and I couldnt take my eyes off him. Then, it was over, hed won and I needed to leave. He didnt want me to. When his lips met mine, somehow, he stole my heart, and in that moment, I knew my world was forever changed. I needed to know this boy. I needed to discover all there was to know about him or Id never be able to breathe again. No one thinks we should be together. They say his bad news. Well, people say Im bad news too. Then, as fate would have it, I was forced to introduce him to my most fierce protector. A man whose past is riddled with secrets and mistakes; a man who fought his way from the darkness and into the light; a man called Damien my father. My name is Yvonne Rhodes, although, you may prefer to call me Evie. Im the eldest daughter of Damien and Henrietta Rhodes. Inside me, I have my mothers sense, and my fathers passion. This is Zacs and my story. Its about needing someone to the point of obsession. Its about losing control, and finding a way to pick up the pieces when everything seems broken. And its about love. One thats so strong, nothing can stop it.
