

Little Black Book of Economic Development, 2nd Edition Revised: How to Rebuild Local Economies and Create Jobs and Attract Business Investment (Professional Economic Developer)

The Little Black Book has been one of the most popular books written in the economic development genre, and as such it is due an update and refresh. This second edition will bring it more current with our current economic conditions. It remains the Clandestine Science and practical art of rebuilding local economies as a practitioners guide to economic development at the local economy level.
