

## Drivers Wanted: (A Novel)

A drug abuser discovers he has a five-year-old daughter he had no prior knowledge of. He attempts to redeem himself in a career driving eighteen wheelers and be a real father to his daughter. Can he regain the trust of the mother, whom he had betrayed, but still loves? She's now a lawyer and might stand between him being his daughter's legal dad. Will he triumph over the shadowy dealings of his truck company's road trainer, who in the grand scheme of things may be his biggest nemesis? *Drivers Wanted* is a full length novel that takes you on a harrowing interstate ride and a heartwarming, romantic journey, gripping with suspense until the very last page.
