

## Little Miss Lovesick

Sydney Riley hears voices in her head... Voices that keep her sane and voices that drive her crazy. The one thing they all agree on - forget Dirk the Jerk and move on. So Sydney lets her friends drag her into the wilds of Northern Michigan where Little Miss Lovesick, the loudest voice in Sydneys head, runs into - literally - the perfect man. Is hot fishing guide Matt Engel the man to vanquish heartbreak? With the vacation flirtation behind her, Sydney is ready to start again. Soon after, however, a difficult - and must keep - client demands Sydney work with his new contractor. Yes, one and the same Matt Engel, hotter than ever and right here in town. But when Matts past comes between them, Sydney wonders how to prevent another broken heart. As the rest of her life spirals out of control, she learns that sometimes a plan isnt enough without friends to share the load. Maybe together they can even help Little Miss Lovesick find what shes been fishing for.
