

Littler Conversations

She was his. The love of his life. Forever
The last few years have been a bit of a dream, reminiscent of the mythical stories woven into the stars above. Ronin and Devin now find themselves embarking on a new journey that draws out feelings they never expected. Stronger together, wrapped tightly in the security of their love, Devins burgeoning maturity feeds off Ronins quiet strength and conviction, but nothing is guaranteed. A blast from the past rattles them both, and then, in the midst of a dream come true, emerges a sudden fear of losing it all. *** Please Note, this is an extended epilogue of Little Conversations (Conversations #1). This is not a stand-alone story.***
