

## Lock On No. 24 - Boeing B-17G Flying Fortress

This 24th installment in the popular LOCK ON series deals with the world famous Boeing B-17G Flying Fortress of WWII vintage. The B-17G of the Imperial War Museum in Duxford, England, was meticulously photographed in all of its splendor for this fine publication. All of the details are well documented, such as the cockpit, bombardier/navigator station, ball turret, waist-gunners station, bomb bay, landing gear, tail gunners station, and various external airframe details. This book belongs in the collection of every scale modeler, as well as history buffs, military and aviation enthusiasts, and WWII veterans.
