

London Falling (The Rulefords book 1)

American Aimee Kennedy doesn't think she needs anyone until she's stuck with sexy banker, Simon Ruleford, in his London home. Stranded in London with no money and no airline ticket, Aimee applies to be Simon's housekeeper. Without the job, she'll end up homeless in a foreign country. But Simon can't hire the adorable American without a work permit, because he would risk losing the royal family's business, costing years of planning and hard work. Unfortunately for Simon, fate conspires to trap Aimee in his home, while mutual blackmail and a lovable Scottie puppy keep them together. As they fight their growing attraction, Aimee's money-making plans soon force Simon into one compromising position after another. Ultimately, they realize they belong together. But will Simon be willing to risk his career and the family business for her? And if he does, will Aimee finally be ready to open her heart to love? Emma Carr writes modern romance with a little bit of fun mixed in.
