Sunny Point Book 4 - STANDALONE A BBW in search of love + A sexy lion shifter that can set her free = Smokin Roaring Romance Strong, young, brash, and violent, Jamie is fighting the urge to challenge his alpha - because werelions are never content to be at the bottom of the pack. But Jamie is young, naive, fierce - and hes also burning for a mate. Louisa is all about self reliance, calm control, and pride in being an independent woman. As a forest ranger around Sunny Point, she knows how to take care of herself - until a ghoulish horror enters her life, and threatens everything she holds dear. Can Jamie help her? Can he learn the wisdom and control needed to win her heart? Or will his anger and desire to dominate sweep away Louisas self control, and imperil them both as Jamie breaks all the rules? Reader Note: This book contains searing sex (ice cream time-outs are recommended), adult language (he knows what he likes and hes not shy about demanding), and dangerous spirits. If this is not the kind of stuff you like to read, skip this book. However, if you like dirty, raunchy sex with a sinfully hot wolf on one funny curvy girl, then this is right up your alley. Enjoy!
