Comely, courageous Minerva Min Peabody, a poor but passionate playwright, is determined to make her mark. But her choice of surrogate, Robert Blake Blakewell. promises to be a mixed blessing indeed. Blake, a handsome blue-eyed sea captain with his own agenda, is a man with a mysterious past, a pair of breathtaking shoulders, and an irresistible aura of intrigue. Though he agrees to her outlandish proposal, she has to wonder, as she gets lost in his eyes, what in the world gotten herself into. Blakes own mission? To ferret out the cad in Roger Styles theatre company responsible getting his sister with child. And when that objective threatens to derail Mins nascent career, his dilemma is a daunting one: protect either his familys honor or the woman whos slowly but surely softening his heart and winning his love. Funny, fast-paced, and with a deliciously dark edge, Her Secret Desire speaks to woman whos ever had to fight for her dreams in a world that just wont take her seriously.
