

Lost Library Shorts Collection: Clara & Logan PLUS a Bonus Story

Logan and Clara experience life in the Lost Library world alone and with each other, in this collection of shorts: Rage, Forgiveness, and Love. For those readers excited by the initial Clara & Logan trilogy who asked for more, Moving was added. Receive Revealed, Maxs introduction to Lycan and the Texas Pack, as an additional bonus! Rage: Logan Braxton faces impossible odds as he attempts a coup against the powerful Alpha of the Texas Pack--his brother Richard. Ruled by terror and violence, the Pack is crumbling and none are powerful enough to challenge the Alpha. Logan will risk his life, his honor, and his place in Lycan society to save those dearest to him. Forgiveness: Meet Clara Foster, reluctant spell caster and former member of the Texas Lycan pack. She fled the Pack in fear in the 1970s. In the thirty years that pass, she never fully reclaims her life. It takes a loving family and a Christmas visit to give her the courage to open her heart. Love: Set within Kate Barays Lost Library world after Book 3, Love considers the possibility of a happily ever after for Logan and Clara. Moving Day: Clara and Logan consider the next step in their relationship. Moving is best enjoyed when read as the fourth of Logan & Claras stories. Revealed: Max Thorton faces a life-altering revelation: werewolves exist and his best friend might be one. What does that mean for his friendship? What does that mean for him? Read this short for Maxs introduction to Lycan and the Texas Pack. ***Other Works by Kate Baray*** Lost Library Spirited Legacy Defensive Magic Witches Diary ***Find Urban Fantasy Author Kate Baray Online.*** Facebook: facebook.com/katebaray Kates web site: katebaray.com Kates newsletter: eepurl.com/WD6UD
