

Love Bites (Bitten) (Volume 4)

I didnt think one night could change the course of my entire life. With his piercing green eyes, Calder Atwood sees straight through my defenses. Hes more than sexy; hes a werewolf. Though he says he wants more than a one night stand, I cant believe him. I learned long ago that men lie, and I vowed not to follow in my mothers footsteps, pining away for a man who doesnt know the meaning of the word fidelity. The only way I trust myself not to break that promise is to avoid Calder completely. Eluding him becomes impossible when Im thrust into a world of danger and darkness. Despite my resistance, Calder forces his way into my life and my resolve weakens with each day were together. After an attack leaves me on the edge of death, I find myself bound to him, body and soul. Now, I cant walk away, regardless of how badly I yearn to do just that.
