

Love Brewing: The Love Brothers

WARNING: Do NOT read this book.....if you're looking for a sweet, fairy-tale romance. Every family has one: the black sheep, the problem child, the prodigal. Dominic Sean Love could teach all of those guys a lesson or two and really should come with his own warning label. Stuck in the middle of a boisterous group of siblings, he's given acting out a new meaning from the day he drew his first breath. When he shows up at his on-again, off-again girlfriends' farm, she's inclined to shoot first and ask questions later. She doesn't. And their lives entwine once more, for good, bad and ugly. LOVE BREWING, book 3 of The Love Brothers, a critically acclaimed family saga with humor, heat and heart...Not to mention beer, bourbon and basketball.
