Beth Carter flees to Sully Point after a bad experience in Hollywood. A beautiful, young, aspiring actress, she is almost ready to give up her dreams, when a new job in town offers her a fresh outlook. William Christopher, the charismatic, yet grumpy, director from the city knows that Beth is too young and beautiful for him...and she's an actress. Obsessed with his work, he is stunned to find himself drawn to her. Can Sully Point once again work its magic and help two souls find each other? This is the fifth book in the Sully Point series.
