

## The Billionaires Secret: Part Three (An Erotic Romance)

A life in prison, or a second chance? From an outside perspective, I led the perfect life. I graduated with a Masters in four years, was always sure of myself, and had a promising career in the FBI. But in reality, I was a selfish, manipulative individual who used people and placed her needs first. ..or at least, that is who I thought I was. But when someone I value more than myself needed my help, I threw away everything I had for their sake, and committed a crime; a necessary crime. I took the second chance. But when I ran into a man who was unlike any I had met before, I took interest in him. This billionaire was an anomaly who made me uncomfortable about myself, and knew the right questions to ask. Its like he knew who I really was, and was fine with it. I wanted to avoid him, but at the same time, I wanted to see more of him. When I found out his secret, I grew envious. But when he told me that I would be his secret, I couldnt refuse his offer. In a place where love is forbidden, was this man my second chance, or my death sentence?
