

Love In Rewind (Audio Fools Book 1)

Emily has the life every woman dreams of. At 29, she has two beautiful kids, a live-in nanny, housekeeper, cook, and every imaginable luxury in the posh Upper East Side townhouse she shares with her drop-dead gorgeous husband, Louis Bruel. His company, Bruel Industries, owns a big chunk of New York City's most sought-after real estate, and together Emily and Louis embody the perfect hot fairy tale couple for ten happy years of marriage. But when Louis mysteriously starts pushing Emily away, becoming distant and secretive, she is forced to search for the truth among the lies, scandal and heartbreak of his past that threaten to shatter her world. What she finds out will test the strength of her love and her vows to the man of her dreams. Can Emily and Louis rewind far enough back to a time when life was simpler and love was all they needed? Follow their story with the help of some of their favorite songs from the 80s to discover just how deep and how far love will go.
