

Love is Fear: Valerie Dearborn Book 2

Love is Fear is the highly anticipated sequel to the Number One Fantasy Bestseller, Love is Darkness. After a lot of swearing and only a little nookie, Valerie Dearborn has decided to make a change. No more lusting after Lucas, the hot, but emotionless, vampire king who cant commit. Instead shes going to make it work with Jack. After all, not only is he breathing, but hes the love of her life.Isnt he? Valerie is an Empath, with supernatural abilities that seem to do nothing more than give her the hots for Lucas. Once upon a time, Empaths had a purpose. They were ambassadors to the OthersFey, Witches, Werewolves and Vampires. They could settle the emotions of a Werewolf and make Vampires feel again. But that was long ago. Lucas isnt about to let Valerie go. He needs her to help him find the Fey, last seen in the Colony of Roanoke, North Carolina, circa 1587. He still believes they are the key to restoring balance to the world and the only way to keep vampires under control. They wont trust him, but they will trust Val. Between Jack, Lucas and Rachel, Val knows life wont be dull. Nor will it be the normal, 2.5 kids kind of life shes always wanted. As their enemies close in, Val must ask herself what life is really abouttrust, duty or mind-blowing orgasms? And even if she finds the answer, she may not live long enough to enjoy it. Please notethis novel is not YA and has lots of sass, swearing and sex. Not necessarily in that order.
