

Love...And Sleepless Nights: Book 2 in the Love...Series (Love Series)

Sometimes, the hardest part of becoming a parent is keeping a straight face...Just ask Jamie and Laura Newman, who (thanks to a rather relaxed attitude to contraception) find themselves about to have a baby. Its obviously a terrifying prospect for a newly married couple, but as long as they stick together theyll be just fine... right? Theyd better because the path between falling in love and those first few baby steps is littered with obstacles. Featuring a hilarious cast of characters including an overbearing mother-in-law, a terrifying midwife and at least one chorus of mating humpback whales, Love... And Sleepless Nights is the hilarious follow up novel all about what happens beyond the happy ever after. Falling in love is easy... starting a family is far from it!
