

## Cougar Desires [Cougarlicious 3] (Siren Publishing Classic)

[Siren Classic: Erotic Paranormal May-December Romance, shape-shifters, HEA] Gwen Ford has just about given up on meeting a man, any man, much less the younger one that she and her friends had agreed to hunt for. She agrees to go out with her son to meet people and get out of the house on a Friday night when she meets the man who is happy to make her a cougar. Too bad he's one of her son's best friends. Jaxon Stanopolis recognizes his mate as soon as he holds her on the dance floor. It does not matter to him that she is 14 years older than he is. It does not matter that he is her son's mentor at the fire department. Nothing matters to him except claiming his mate. Will she give into the attraction she feels? Or will she allow her son to keep her away from the man of her desires? \*\* A Siren Erotic Romance
