

Loves Eternal Embrace

An Irish medieval town is haunted by a vampire who requires a human sacrifice every six months. When the town's elders find that Liam, a former Knight Templar, has survived his encounter with the vampire, they forge a new plan. They want Liam to allow the vampire to feed off of him so as to spare their townsfolk. Liam must make a choice: embrace the task or end the vampire's life. A knight... A lady... And a deadly dark secret... A fiend dwells in the forest and Sir Liam Cantwell sets out to slay it. Only the fiend is a fair maiden named Glamis Drui. Will Liam fall prey to her deadly embrace or will his knightly charms be her undoing?
