

Paradise Cove

Dylan Reese moved to Paradise Cove to escape her troubled past, but trouble manages to find her even in paradise. She meets Josh Silver, a famous musician dealing with a tragic loss. Dylan tries to keep her distance, but something about Josh keeps pulling her closer. Even as she starts to fall for Josh, she struggles with the dark past that still haunts her ... the past that sent her to the seemingly safe haven of Paradise Cove. As she faces her demons, she makes a promise to stop running from her life, and hopefully, find her own piece of paradise. But Dylans past isnt going to stay in the past any longer. Josh is involved in a terrible accident and Dylans suspects that it really wasnt an accident at all. Dylan faces the tragic realization that Josh is everything she has ever wanted, and she is everything he doesnt need.
