

Lucifers Flood: A Novel (The Reluctant Demon Diaries)

The sensation of falling was terrifying we tumbled out of the realm of the heavenly light into perpetual darkness. We had not seen darkness before not like this anyway. A strange man shows up at the office of language expert Samantha Yale with a mysterious scroll written in an even more mysterious language. As she begins to translate, she discovers an eyewitness account of the war in heaven from an angel who sided with Lucifer and then deeply regretted his decision. The tale is hard to believe but impossible to ignore. Linda Rios Brook brings new depth of imagery into the spirit world and scholarship to the old debate, What happened to the world between Genesis 1:1 and 1:2? Part intriguing theological exploration, part swashbuckling adventure, *Lucifer's Flood* presents an equally fascinating and frightening tale of prehistoric heaven and Earth.
