

## Luckys Break (Lucky Series Book 2)

After almost losing her uncle Phen during the investigation of her mothers murder, Felicia Lucky Fascino cut all ties and ran away, hoping her family would move on and forget the promises they made. Putting the past behind her has never been easy, but Lucky knows working as an assassin is slowly destroying her already fractured psyche. Staying away, especially now that her family is in danger, is the only way to keep everyone safe. Kenji Zinn, determined to locate his ex-lover, tracks Lucky to a small island with her familys help, and finds her in a miserable and self-destructive condition. Their connection is strained after months apart, but his feelings havent changed, and he attempts to persuade her to come home, to protect her family and keep her promise. But only Phen is able to convince Lucky that the way to get closure is finding an elusive man named Quimby and take him out permanently. While her family continues to track their target, Lucky returns to work for the network--struggling through each job, aware that pushing her family away wont bring anyone the peace they deserve. As she repairs her shattered relationships, her true feelings for Kenji are tested when she almost loses him completely. Before its too late, Lucky realizes hes her best ally to help her finish what she started and find Quimby before he strikes again. This is book two in Lucky Series.
