

Lucky (Inked Menace Motorcycle Club #1): Shapeshifting Bikers

Shes on the run Cecelia Marks is a whistle-blower and her life is no longer her own. Witness Protection offers little safety when the man who hunts her is a wealthy oil tycoon hell bent on taking her down and making her pay. Hes haunted by demons Sigma werewolf Lucky Miller failed to protect an innocent and the grief still haunts him. When a new woman stumbles into his life smelling too much like his fated mate, his wolf wont let him walk away. Things become even more dangerous once she becomes the center of a motorcycle club war. Cecelia may live... if she gets Lucky.
