

Elloras Cave Presents Lunewulf: In Her Soul, Book 5

Book 5 in the Lunewulf series. Trudy Rousseau is ready to start a new life. She has had enough drama and just wants to settle into a nice pack and be at peace. Little does she know she is walking into a problem larger than any could imagine. And also walking into the hands of Adam Knight, a werewolf like no other. Adam Knight, with Werewolf Affairs, has just been given the biggest assignment of his life. Humans are burning out the werewolves, and pack leaders are demanding action and answers-now. His fine-tuned skills are put to the test as he takes on the dangerous mission. But to make matters worse, the cutest little werewolf hes ever met has just walked into the middle of all of it. And she doesnt exactly want his protection.
