

Wolf Bride (Lust in the Tudor court - Book One)

Hilary Mantel meets Sylvia Day: the first instalment in a deliciously erotic trilogy, set against the sumptuous backdrop of the scandal-ridden Tudor Court. England, 1536 Bound to him against her will... Lord Wolf, hardened soldier and expert lover, has come to King Henry VIII's court to claim his new bride: a girl who has intrigued him since he first saw her riding across the Yorkshire moors. Eloise Tyrell, now lady-in-waiting to Queen Anne Boleyn, has other ideas. She has no desire to submit to a man she barely knows and who - though she is loath to admit it - frightens her not a little. Then comes that first kiss...It awakens in both a fierce desire that bares them to the soul. But as the court erupts into scandal around the ill-fated Queen, Eloise sees first-hand what happens when powerful men tire of their wives. Dare she surrender her body and her heart?
