Love Lines

The traces of supernatural powers have always been crossing the world of human beings. Many people know about the existence of healers, mind readers, oneiromancers, and wizards. But for centuries their lives have been kept secret and no one has ever heard about Dever, a kingdom of mysteries and magic. Neither has Eileen Clark, whose life has never been different from the one other teenagers have.

Everything changes the day Eileen receives an invitation to join the ranks of Devers students. Nothing will ever be the same again... New life, new friends, new enemies... And love so powerful that no magic will be able to destroy...
